# FHA LOANS

## LOAN PROGRAMS AVAILABLE FROM FEDERAL HOUSING AUTHORITY

At 1st Choice Mortgage, we understand that you might not fit the standard mold when it comes to getting a home loan.

FHA government-insured loans can offer low down payment options while allowing flexibility for less-than-perfect credit and non-traditional employment.

It has never been the better time to purchase a new home than right now! Home prices are at their lowest levels since 2001 and interest rates are still at 30 year all time lows.

And getting a home loan has never been easier. Recent guideline changes are allowing more and more people to become homeowners.
