

Welcome to your Hubble Homes **Smart Hub**

Congratulations on your Hubble Homes purchase.

* All Smart Hub installation and warranty questions fall under Treasure Valley Solutions and should be directed to info@treasurevalleysolutions.com. For more information or initial installation scheduling, please visit www.treasurevalleysolutions.com/hubble-homes.

What you need to do for **Installation:**

- 1. Internet must be installed in your home, prior to smart hub installation.** All equipment runs on WIFI and we cannot provide services without prior internet set up.
2. Go to <https://treasurevalleysolutions.com/hubble-homes> to schedule your initial Smart Hub installation appointment.
3. You will be prompted to fill out the online form with contact information, location of your home, and availability.
4. Once you have completed and submitted the online form our Smart Hub specialist will contact you within 48 hours to set up a specific time for your installation. (Please provide a few days and times you are available as options). Our Smart Hub specialists will do all they can to accommodate your preferred times.
5. Our Smart Hub specialists are ready to help, to provide setup, and training on how to use the smart home products. During this appointment, they will connect the products that came with your Hubble home, as well as any additional products, you added during your showroom selection visit.
